07.02.21

Dear Parents/Carers,

This letter focuses on home learning tasks that include a range of taught online sessions and non-screen activities. The activities have been designed to be completed over a period of 5 days (08.02.2021 – 13.02.2021.)

Taught Sessions via Microsoft Teams

Date	Time	Lesson Focus
Monday	10.00-11.00	Maths: Partitioning, 4x, 8x and 7x (including sorting with Venn Diagrams)
Monday	13.30-14.30	English: Planning our persuasive letter and writing the introduction.
Tuesday	10.00-11.00	Maths: Multiplying using grid method and use rounding to estimate.
Tuesday	13.30-14.30	English: Writing our points for our persuasive letter
Wednesday	10.00-11.00	Computing: Coding a Rock band using Scratch
Wednesday	13.30-14.30	PSHE: Captain Tom and speech writing
Thursday	10.00-11.00	Maths: Use compensation in multiplication and grid method
Thursday	13.30-14.30	English: Reading and Sharing our persuasive letters with Mrs Wallace
Friday	10.00-11.00	Maths and English: Maths and English challenges and recap quizzes
Friday	13.30-14.30	Golden time quiz and game session with Sycamore Class.

Please continue to send any evidence of the following tasks via the Seesaw App.

<u>English Tasks</u>	
Resource	Persuasive letters.
English Focus:	Please continue to read out loud to an adult at least 3 times a week.
Additional English Resources which will be uploaded to Seesaw.	Please access these Oak academy lessons to supplement writing. These links lead you to a series of 5 grammar lessons for your year group. Complete them in order, one per day: Year 3: T2: Word level objectives - Oak National Academy (thenational.academy) Year 4: T2: Word level objectives - Oak National Academy (thenational.academy)
Literacy Shed Free Resources	https://www.literacyshedplus.com/en-gb#resources
Weekly Comprehension task	Please access the comprehension work that I have uploaded to the school website and seesaw for your year groups.
Weekly Pobble writing tasks	https://www.pobble365.com/the-invasion/ Please complete the story starter task and finish the story. Use all of the writing skills we have been practising including varying sentence structures and direct speech. You will also be able to include the skills such as fronted adverbials for where and when to continue your story and add more detail. Also please complete the Perfect picture task .
Spellingframe	Please continue to practise spelling any of the common exception words from their year group that they find difficult. You will find the spelling lists via the link below:

	www.spellingframe.co.uk This has many spelling games and activities linked to their year. Please also access the Year 2 word list as revision.
--	--

Maths Tasks	
Resource	Information
Focus for the week:	Multiplication including the 8 times tables.
Additional Resources which will be uploaded to Seesaw	Monday: Recalling the 4 times table (thenational.academy) Tuesday: Representing the seven times table (thenational.academy) Wednesday: Using arrays to multiply a 2 digit number by a 1 digit number (thenational.academy) Thursday: Exploring commutativity in multiplication (thenational.academy) Friday: Exploring commutativity (thenational.academy) Bonus lesson: Investigating multiplication patterns (thenational.academy)
MyMaths	https://www.mymaths.co.uk/ Log in at the top of the screen using the school username and password. School username: brabins School password: rectangle203 Complete the set homework linked to multiplication
Times tables practice links:	https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check Times Tables Rock Stars (trockstars.com) http://www.timestables.me.uk/ On this website you can create your own timestables worksheets, focusing on whatever times table you might need more work on, or you can use it to practise known tables at speed in a race against the clock.

Other Subjects	
Subject Focus	Information
RE	Share a prayer with us at school. It can be in any form you wish and on any subject.
Science	Share your knowledge of the Human body and what you have learnt in any way you wish. This could include a non-chronological report, information booklet, video or PowerPoint.
Design Technology	Help your parents out in the kitchen and cook a meal with them. Design a healthy meal looking at all of the food groups in the Eatwell plate. This can be any meal. After your meal write an evaluation talking about what you would keep the same, what you would change and what you enjoyed.
PE	Access this Oak Academy lesson, going over the athletics skills of running jumping and throwing. https://classroom.thenational.academy/lessons/running-over-obstacles-and-throwing-for-accuracy-70tp2t

Recommended Online Resources:

Oak Academy has many online lessons specific to year groups that you could also look at if you would like some additional work. <https://www.thenational.academy>

If you would like some additional work, then you could have a look at BBC Bitesize. They have lots of daily lessons covering Maths, English and some other topics that you could do in addition to the work outlined in this pack. <https://www.bbc.co.uk/bitesize>

The BBC have produced excellent live lessons covering a range of subjects, which children can access here: <https://www.bbc.co.uk/teach/live-lessons>

We would like to take this opportunity to remind all pupils to ensure they consider internet safety at all times.
