

BRABIN'S ENDOWED PRIMARY SCHOOL

Brabin's Newsletter 14th June 2021

Robin Wood Residential

I'm sure there have been some excited Y5/6 children in readiness for their trip this week!

We hope they have a fantastic experience - there are some great activities planned including: canoeing, archery, climbing, zip wires and more. Parents - enjoy the peace!

Sports Day

This will take place on Wednesday 23rd June 2021, with KS2 sports taking part in the morning and KS1 in the afternoon.

Unfortunately, due to current guidelines, we are not able to invite parents to join us for our sports day this year but we will ensure the children still have the opportunity to take part in the usual activities and races and enjoy the full experience!

Teachers will post pictures and video clips of the races on Seesaw for you to enjoy.

All children will need to wear their PE kit on this day.

We raised **£256** from the virtual balloon race. Thank you to everyone who donated!

The winning balloon was Zac W - well done!

The money raised will be put towards our planned new outdoor play equipment.

Music Tuition

A letter will be emailed next week to register your interest in music tuition from September 2021.

We are looking forward to being able to offer small group tuition once again. This will be provided by Lancashire Music Service. To avoid disappointment, please ensure you respond to the correspondence as these places will be strictly limited.

Sun Safety

It's been lovely to see the sunshine back! We love to get the children learning outdoors so please ensure, when appropriate, that the children have a sun hat and suncream in school. Please label the cream with the child's name as we are unable to let children share suncreams.

School Office

Dinner payments are now due:
£69.00
Children attending Robin Wood:
£62.10

Pre-School

We are delighted to welcome Miss Eccles who has joined the Brabin's team today as our Early Years Apprentice. I'm sure she will soon settle into pre-school life!

Pre-School places are available for September but these are limited on certain days. Please contact Mrs Wallace if you would like further information about places for the next school year.

The children will be taking part in the British Nutrition Foundation 'Healthy Eating Week' between 14th – 18th June 2021. During this week, the children will take part in a variety of activities including cooking, following recipes, preparing food and learning about nutrition.

The children will also have the opportunity to taste a range of different foods. If your child has an intolerance, or allergy to any foods that we are unaware of, please contact the class teacher.

Well done to our Y6 class who undertook SAT tests last week. Although this year, the normal testing arrangements did not take place, our children embraced the opportunity to showcase the fantastic progress that they have made over recent years. They celebrated the end of the tests (as tradition) with cake and jot chocolate!

Well done Y6 – we are very proud of you!
