Newsletter

September 2021

Welcome to a new school year. We have enjoyed welcoming lots of new children and their families over the last week and we are thrilled with how well the children have settled. We have more friends who will be joining us soon!

Miss Strickland, Miss Eccles and Mrs Burt will continue to work with the children and they are looking forward to another great year! Mrs Wallace

School Admissions September 2022

The deadline to apply for a primary school place for September 2022 is 15 January 2022 . Apply for a place via this link:

Access to Pre-School

We have plans in place to improve school security. This includes installing electronic gates. As part of these measures, we are asking Pre-School parents (that do not have children in the main school) to use the walled pathway that runs alongside the school kitchen. This will also, hopefully, ease congestion when using the main school gate as it can become busy during key times and our narrow roads always need to be another consideration. Please ask Miss Strickland for further information!

Friday 8th October
1.15 p.m. to 6 pm

We invite prospective parents to come and visit the school on this date. Alternatively, an appointment on a more convenient day can arranged. Please see flyer overleaf.

Some Pre-school sessions are now fully booked and others are filling up fast! If you are thinking of increasing your child's pre-school sessions, please contact Mrs Wallace to avoid disappointment.

We will continue to use Seesaw this year to communicate with parents and send photos home. If you require a new password to login, please ask Miss Strickland.

Current topic

This week we will be starting our first topic "Marvellous Me". Here are some of the things that we will be covering:

- Feelings
- What makes us unique?
- likes and dislikes
- Families

Forest School Wednesdays

Forest School sessions will continue on Wednesday afternoons. Please ensure children have wellies and waterproofs in school at all times so we can enjoy the outdoors - whatever the weather!

Individual and Family Photographs

Individual/family photographs will take place during the morning of Friday 22nd October 2021. Please contact the school office if you would like to arrange a family photo with a younger sibling. (Photographs with siblings in school will also take place).

Dinosaurs:

Dinosaurs are very popular in our pre-school room at the moment so we created a dino dig in our 'tuff spot'. The children enjoyed digging for fossils and dinosaur bones in the sand and creating fossils in the play-dough area.

Dressing Up Station:

The children have loved using our new costume making station to create their own outfits. They use fabric markers, ribbons and crafting materials to create their desired look.
