

BRABIN'S ENDOWED PRIMARY SCHOOL

Brabin's Newsletter 7th March 2022

Reminder of Covid Absence Procedures

The latest school guidance from the local authority is that anyone (including children) who test positive for Covid-19, are strongly advised to stay at home for 5 days. After 5 days, it is recommended that a lateral flow test is taken, followed by another the next day. If both are negative, and your child does not have a temperature, they can safely return to school.

We appreciate your support in following this guidance in order to protect the most vulnerable and to keep everyone safe.

We have recently welcomed two new members of staff to the Brabin's team. Miss France and Miss Hinksman will be working as Teaching Asssitants within the Reception class.

Free Writing Friday

On Friday 18th March, the whole school will enjoy a 'free writing' session. This has been planned following a request from some Y5/6 pupils who would like the opportunity to choose a text type and to have a creative writing session. A great idea! The children will have the opportunity to share their work on this day.

The next Friends of Brabin's event:

Reading

Please continue to read with your child regularly at home. Being a fluent reader not only improves comprehension but it helps learning across all subjects. If your child prefers to read alone, try asking them questions about what they have read.

Also, we would be grateful if you could check for any reading or, library books at home - we have a few missing!
