

BRABIN'S ENDOWED PRIMARY SCHOOL

Brabin's Newsletter 3rd May 2022

Queen's Jubilee

As part of the upcoming Queen's Jubilee on Friday 27th May, the children will take part in a whole school celebration. This will include lots of fantastic activities where they will find out all about the Queen's 70-year reign. The children will recite the national anthem, draw a portrait of the Queen, learn about the history of the royal family and the culture through the decades. We will hold a celebratory lunch in a street party style - outside if possible!

To celebrate the Queen's Jubilee, we would also like the children to come in to school wearing red, blue and white clothing.

We are thrilled with our new outdoor play areas and we are sure that the children will get lots of pleasure from the equipment for years to come. Thank you to the Friends of Brabin's for the generous donation to make this possible. We still have plans to improve the play areas further, so please continue to support the school events as all the money raised will be used to enhance children's learning.

The next Friends of Brabin's meeting is at 3.15pm on Wednesday 11th May - all welcome!

Reading at Home

"The more that you read,

the more things you will know.

The more that you learn,

the more places you'll go."

Dr Seuss

Coming soon on the school website... recommended reading book lists to support children's reading.

After School Club and Breakfast Club - September 2022

We will shortly be sending home booking forms for after school and breakfast club bookings for the next academic year. It may seem rather early, however, in order to staff appropriately, we need to be aware of numbers. We will also be taking bookings for pre-school children to attend wrap around care from September.

Please note, that we may not be able to accommodate late bookings, so please ensure forms are returned by **1st July 2022** to secure a place.

Please note that we have had to make the difficult decision to make a small increase in fees due to rising costs. This has been minimal and is the first increase in a number of years.
