

Amazon Smile

The Friends of Brabin's are now registered with Amazon Smile. We would be very grateful if you can spread the word, and in addition to yourselves, get friends and family to choose the Friends of Brabin's as their charity to support on Amazon Smile.

**To find us on AmazonSmile please use our
charity commission number 1137674**

The most important thing is that it **costs you nothing extra**, but once you have registered your Amazon account, to the Friends of Brabin's charity we will receive 0.5% of your eligible order value. It may not seem very much, but if everyone participated, especially in the run up to Christmas, the pennies will soon add up.

Attached to this letter are a couple of guides on how to set up Android and desk top devices, but please if you are struggling please let us know, and we are happy to help.

Just one thing to remember.....

If you shop on an **iPad** or **desktop** device just make sure you **use the web address**

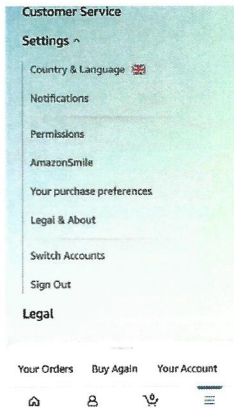

<https://smile.amazon.co.uk/>

If using an Android phone, your app should automatically remember your chosen charity. Just check when you go to the checkout it says "Supporting: The Friends Of Brabin'S"

Thank you for your participation, and support.

The Friends of Brabin's

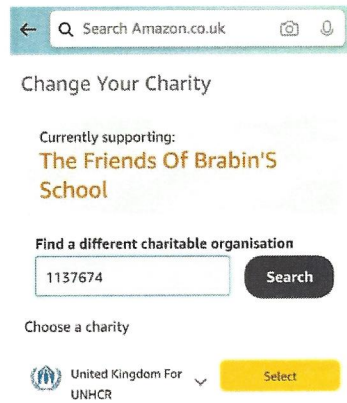

Android Amazon App Set Up

Click on the 3 lines at the bottom of the App screen, then select settings, and then AmazonSmile.

In the find a charitable organisation box, type in the Friends of Brabin's charity number which is 1137674.

Then click Select next to the Friends of Brabins.

Your AmazonSmile

Now your Amazon App is registered, just make sure that the device you are using is generating a donation, by having "ON" next to your phones name.

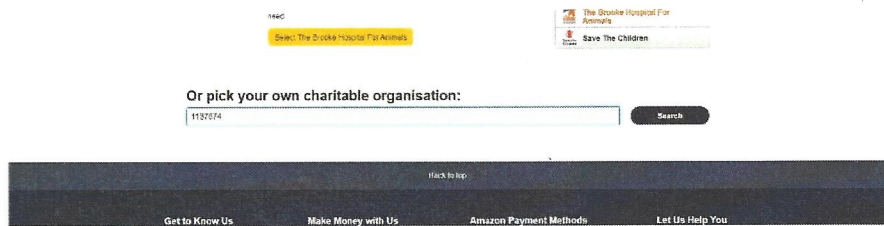

Desktop Set Up

Go to www.amazon.co.uk, and in the search bar type in "amazon smile"

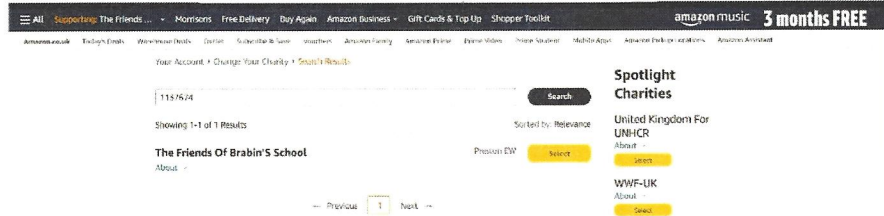

Click on "Change Charity"

In the box which says "Or Pick your own charitable organisation:", type "1137674", which is our charity commission number.

Then click select on "The Friends of Brabin'S School"

Thank you, you have now registered your device for AmazonSmile.
