Food Bingo

25th February 2023 at
At Chipping Village Hall
7.30pm

Please note that this event is suitable for adults/older children (UKS2).

Non Uniform Day

On Friday 3rd February, we will have a non-uniform day - the fine is to bring in items for the bingo. Please send in bottles, chocolates, box of biscuits etc. We would also be grateful if anyone is able to donate a raffle prize in the form of vouchers etc.

Thank you for your support.

Chipping once had a thriving Beaver, Cub and Scout pack, which ceased functioning during the pandemic. In order to re-instate a Chipping Scout Group, it would require new volunteers to lead the sections, and particularly the Beavers and Cubs. If you would be interested in volunteering to take on such a role, please speak to Mrs Wallace who will pass on the relevant contact information.

Online Safety

The importance of online safety is strongly embedded into our school curriculum throughout the year. On Tuesday 7th February 2023, we will also take part in the 'National Safer Internet Day'. This year, the learning will be based around the theme, 'Want to talk about it? Making space for conversations about life online'. Please return homework projects by the 7th February as these will be viewed during the day.
*Reminder attached.

Please see the attached flyer regarding an App called YUBO. The National Online Safety team are advising that children and young people do NOT to use the App due to the risks it presents.

Well done to Fraser and Evie who, as members of our school's Tech team, have independently created their own Online Safety posters to display in school!

Creative Activities

Get To Know The Neighbourhood Team

Physical /Messy Play

Parent and Child Activities

Refreshments including Free Hotdogs

All children, young people and families are welcome.

And if your child already attends Colourful Footsteps or Inside Out

then you are invited to come along with your child and meet our Neighbourhood Team,

get to know them better and know what our service can offer and get involved in some fun activities.

As part of Safer Internet Day, we are sending home a small family project. For this, we would like the children to design a Brabin's online safety mascot. Could the children give them a name and write what they stand for including why online safety is important at Brabin's and add our logo to the design. The children could draw, paint, use collage or make a model for this project. We will choose a mascot to include on our website and newsletters.

Please find attached a sheet for the children to draw, colour and explain about their design. Please return their mascots to school by Tuesday 7th February.

Many Thanks

Miss Doxey
