

### New Footpath

After a very long process, we are delighted that our new footpath is being to take shape. It is hoped that the works will be completed by the beginning of week. The public right of way is being re-routed and a new right of way and path is being installed. This ensures greater security to safeguard our children as well as providing a more accessible and safe path from the village to school.

The new gate system will be on timers, in line with the gates at the front of school.

We are planning a 'Walk to School Week' and will give further information in the next newsletter. Our grateful thanks go to Mr John Stott, our Site Supervisor, for all his hard work and commitment to this project.

### Pre Loved School Uniform

Each morning and at the end of the school day next week, there will be a table on the playground (on dry days!) with donated uniform that is in very good condition.

Please help yourself to any items. It is good for the environment- and the pocket!

### Transition morning

On Friday 5<sup>th</sup> July, the children who will be moving classes in September, will have an induction morning in their new class. We hope that this will help prepare the children for a smooth transition in September.
