You may have noticed we have some on-going building work at the front of school. We are looking forward to seeing the installation of an improved Reception outdoor area as well the Forest School area. Exciting times!

Phonics

Phonics Information Evening

All our current Reception parents are invited to a short, informal session on how to support your child with phonics at home. The event will provide an opportunity to see how phonics is delivered in school.

This meeting will take place on Friday 12th September at 3.25p.m.

Health and Safety

Please ensure that children are not left unsupervised on the playground before 8.45am. This is a safeguarding issue aimed at maintaining the children's safety at all times. We also ask that children do not climb or sit on the school wall.

Please also note that it is L.C.C. policy that dogs are not allowed on the school grounds.

We do appreciate your support and understanding with these matters.

Water Bottles

Please ensure that the children bring a water bottle into school each day. The children are encouraged to drink water at various parts of the day.

Please ensure bottles are non-spill as many school books have been damaged in the past. School water bottles are available from the office.

KS2 Swimming Lessons

Swimming lessons start on Wednesday 10th September. These will continue until the Christmas break.
