

BRABIN'S ENDOWED PRIMARY SCHOOL

Brabin's Newsletter 5th May 2026

Y5 Bikeability

Year 5 will take part in a 2 day 'Bikeability' course at school on the 7th and 8th May.

All pupils will need to have their bike in school (in good working order) on these days, together with a helmet.

The children need to wear school PE jogging bottoms and trainers.

Wraparound Care for 2026/2027

Existing users of our Breakfast & Afterschool Club facilities will be aware that the majority of our sessions are currently full, with little flexibility for changes to required sessions. From September 2026, we expect the situation to be the same.

In order to manage this, and in an effort to try to accommodate everyone, we are honouring the sessions that people currently have booked (i.e. the days/sessions that are booked now, will continue from September 2026).

As we have a waiting list for people requiring places, we ask that you let us know as soon as possible if you no longer require a place at Breakfast & Afterschool club from September.

If you wish to change existing sessions, please contact the office to discuss - we have limited room for movement, but will try to accommodate (if at all possible).

In order to provide appropriate staffing, the deadline for contacting the office regarding sessions is, Friday 5th June 2026.

As a school, we will be marking Sir David Attenborough's 100th birthday on Friday 8th May 2026, with a number of activities/events.

One of these is a whole school photography competition, where we are asking the children to send into school a nature photograph that they have taken.

These can be sent via Class Dojo to the class teacher or pupils can bring a physical copy into school. There will be a prize for each class winner and we will display all of the photographs in school. Please send only 1 photograph.

Please send entries by Thursday 7th May 2026.
